

HOW TO GET YOUR YPT TRAINING

Go to MyScouting

<https://myscouting.scouting.org>

Create a login.

MyScouting will ask you a number of things.

You are in the

Atlanta Area Council,

the Button-Gwinnett District

and your pack number is 608.

You DO NOT NEED a BSA member number. You can skip that field, and still take courses, so don't sweat it.

Login from the email confirmation link.

Once you're in,

Look to the left of the page and under Training see E-Learning

Click that.

It should default you to the GENERAL tab.

Under BASIC TRAINING

find the YOUTH PROTECTION TRAINING COURSE

When you finish the course and quiz, print out the card that they'll issue with the current date and your name.

Almost done. Now, use ScoutTrack to email a copy of that card to the Pack Trainer, OR bring a hardcopy to the next pack meeting to give to the trainer or they aren't there, to the committee chair or the cubmaster.
